

Asmaradana

Anjasmara ari mami
Masmirah kulaka warta
Dasihmu tan wurung layon
Aneng kutha Purbalingga
Prang tandhing lawan Bisma
Kariya mukti wong ayu
Pun kakang pamit palastra.

Juru demung ngela-ela
Kawelat lelangen lalu
Leng-leng kalingan kalunglun
Kalangen langening brangta
Ngarang merong rangu-rangu
Gung wirangron karungrungan
Riyaning tyasing tinutus.
